2.2.3. In case of delay occurred due to any of the reasons mentioned below, the Contractor shall immediately give notice thereof in writing to the CDM& PHO Kandhamal but shall nevertheless use constantly his best endeavours to prevent or make good the delay and shall do all that may be reasonably required to the satisfaction of the Engineer-in-Charge to proceed with the works as per code of PWD.

2.2.4. Request for reschedule and extension of time, to be eligible for consideration, shall be made by the Contractor in writing within fourteen days of the happening of the event causing delay. The Contractor may also, if practicable, indicate in such a request the period for which extension is desired.

2.2.5. In any such case a fair and reasonable extension of time for completion of work may be given. Such extension shall be communicated to the Contractor by the CDM& PHO Kandhamal in writing, within 3 months of the date of receipt of such request. Non-application by the contractor for extension of time shall not be a bar for giving a fair and reasonable extension by the CDM& PHO Kandhamal and this shall be binding on the contractor.

2.3. Compensation for Delay.

2.3.1. If the contractor fails to maintain the required progress in terms of clause 2 or to complete the work and clear the site on or before the contract or extended date of completion, he shall, without prejudice to any other right or remedy available under the law to the Government on account of such breach, pay as agreed compensation the amount calculated at the rates stipulated below as the Superintending Engineer (whose decision in writing shall be final and binding) may decide on the amount of tendered value of the work for every completed day / month (as applicable) that the progress remains below that specified in Clause 2 or that the work remains incomplete.

This will also apply to items or group of items for which a separate period of completion has been specified. Compensation @ 1.5% per month of for delay of work, delay to be completed on per Day basis.

Provided always that the total amount of compensation for delay to be paid under this condition shall not exceed 10% of the Tendered Value of work or to the Tendered Value of the item or group of items of work for which a separate period of completion is originally given.

The amount of compensation may be adjusted or set-off against any sum payable to the Contractor under this or any other contract with the Government. In case, the contractor does not achieve a particular milestone mentioned in contract data, or the rescheduled milestone(s) in terms of Clause 2.5, the amount shown against that milestone shall be withheld, to be adjusted against the compensation levied at the final grant of extension of time. Withholding of this amount on failure to achieve a milestone shall be automatic without any notice to the contractor. However, if the contractor catches up with the progress of work on the subsequent milestone(s), the withheld amount shall be released. In case the contractor fails to make up for the delay in subsequent milestone(s), amount mentioned against each milestone missed subsequently also shall be withheld. However no interest whatsoever shall be payable on such withheld amount.

2. With a view to avoiding these situations, Govt. have been please to decide that with effect from 1.4.96, there will be no purchase of departmental store materials, nor booking of materials to show utilization of budget provision. It will be the responsibility of the contractor to purchase stores & utilize them in the work since materials like cement, steel etc. are easily & abundantly available at all the places, there will be no difficulty for contractors to procure the same. Therefore, the future agreements with contractors shall be executed accordingly & necessary modifications to the agreement form may be made. In cases where agreements have already been executed for departmental supply of materials, efforts should be made to fulfil the same by utilization of the existing stores & also through inter-divisional & even inter departmental transfer of stores. For utilization of the surplus materials, agreement may however be made for supplying of materials to the extend available. In this way the existing materials should be exhausted.
3. Maintenance work should be undertaken by purchasing materials in case of departmental execution of work by directly charging to site account or through contractors. There should not be advance purchase of materials for the sake of storing & utilising the same in further works. No item of stores should be purchase which are available in the Central Store. Therefore, before effecting, such purchase a certificate from the Central Store has to be obtained regarding non-availability of the particular item of stores.
4. Consequent upon introduction of the new system, the Engineer-in-Charge of the work will have to exercise strict quality control & ensure that materials used by the contractors conform to the standard specifications. The deptt. shall not supply any materials what-so-ever for the work. The contractor should be financially solvent & stable for advanced procurement of all materials to the required for the work vide Govt. of Odisha F.D. Memo No. as cited above.
