In shape of Demand Draft/Term Deposit Receipt pledged in favour of the Block Development officer of Concerned Block before execution of agreement as per Works Deptt. Office memo No: - 4559. dated.05.04.2021. Otherwise, the bid shall be cancelled and the security deposit shall be forfeited. Further proceeding for black listing shall be initiated against bidder as per Works Department Office Memorandum No: 14299.dtd.03.10.2017.

Additional performance security shall be taken on an incremental basis from the selected bidder for low bid prices in the project works as under:

1. Where the bid price is below 0% but not below 10% of the project cost put to bid, no additional performance guarantee/security percentage is required.

- II. Where the bid price is below 10% but not below 20% of the project cost put to bid, the additional performance guarantee/security percentage shall be incremented by 0.1% for every percentage of bid price below 10% of the project cost put to bid starting at 11% with the additional bid performance guarantee being 0.1% and this additional performance guarantee percentage shall be applied on the bid price;

 - V. The additional performance security shall be treated as part of the performance security.
 - VI. Justification for abnormally low bids shall be scrutinized by the Departmental Technical Committee and recommended to the competent authority of the Administrative Department for the approval of the Additional Performance Security (APS). An abnormally low bid is one in which the Bid price, in combination with other elements of the Bid, appears so low that it raises material concerns as to the capability of the Bidder to perform the contract at the offered price. Procuring Entity, in such cases, seek written clarifications from the Bidder, including detailed price analyses of its Bid price in relation to scope, schedule, resource mobilization, allocation of risks and responsibilities, and any other requirements of the bid document. If, after evaluating the price analyses, the procuring entity determines that the Bidder has substantially failed to demonstrate its capability to deliver the contract at the offered price, the Procuring Entity rejects the Bid/Proposal. However, it would not be advisable to fix a normative percentage below the estimated cost, which would automatically be considered as an abnormally low bid.
2. These amendments shall take effect from the date of issue of the O.M.
 3. Accordingly, the relevant existing codal/ contractual provision stands modified with effect from the date of issue of the O.M.
 4. This has been concurred in by the Finance Department vide File No.FIN-WF1-MISC-0102- 2025. 26.
On successful execution of the quantities, the additional performance security shall only be refunded to the bidder or else the same shall be forfeited to Government. If in the opinion of the Executive Engineer, the execution of such quantity / quantities is / are not feasible / necessary for completion of the work, the proportionate amount of the additional performance security shall be refunded to the bidder. Any Bank enlisted under the Second Schedule of The R.B.I. Act. 1934 shall be construed as Scheduled Bank. The Deposit Receipts of Banks other than the Scheduled Banks shall not be acceptable for the purpose.
7. After careful observation, Government has been pleased to abolish the extant provisions of threshold negative bid caps (14.99%) introduced in Appendix-IX, Clause 36 of OPWD Code Volume-II in the procurement of works under undertaken by the Govt. of Odisha vide office memorandum No.07764600022025-173/W, Bhubaneswar Dt.03.01.2026 of Works Dept, Govt. of Odisha.
